Pacgold Reports Promising Drill Results at Alice River, Eyes Bigger Gold Discovery

Pacgold Limited (ASX: PGO) (“Pacgold” or “the Company”), a Queensland-focused gold explorer, has delivered an encouraging update from its ongoing 2025 exploration campaign at the Alice River Gold Project, located 300 km northwest of Cairns. The Company announced impressive high-grade gold intersections from the initial phase of its 10,000-metre Reverse Circulation (RC) drilling program, highlighting the project’s untapped potential in the heart of North Queensland’s mineral-rich corridor.
